Any greater personal amounts may not attract income tax relief unless you have any carry forward of unused relief from previous tax years (please refer to your independent financial adviser for further information). Please indicate below the contribution from you and / or your employer.

Personal contributions:

(All personal contributions are paid net of basic rate tax and the tax is reclaimed by IPM from the HMRC on your behalf)

Amount of net single contribution £

Amount of net regular monthly contribution £

Employer contributions:

(All employer contributions are paid gross)

Amount of gross single contribution £

Amount of gross regular monthly contribution £

Date of start of monthly contributions

If the contribution(s) detailed above mean that your total contributions are in excess of the current year's Annual Allowance, please tick this box to confirm that you have sufficient unused Annual Allowance that you are able to carry forward

Please note that if you do not have unused Annual Allowance that you are able to carry forward and your contributions to all schemes of which are a member exceed the current year's Annual Allowance you will be liable to the Annual Allowance charge.

N.B. If you have registered for Enhanced or Fixed Protection the payment of a contribution means that this protection will be lost.

Where a contribution is in excess of the annual allowance for the tax year in which your pension input period ends, please provide IPM with confirmation that you have sufficient annual allowance to carry forward from previous tax years.

IPM cannot give you advice regarding the level or suitability of receiving contributions into the IPM Personal Pension Scheme. Please refer to your independent financial adviser.
