

IPM PERSONAL PENSION SCHEME

1 INFORMATION

Please ensure that all questions on this questionnaire are answered in full. Once we receive the fully completed questionnaire we will then instruct our solicitors to act on our behalf in the sale; they in turn will contact the buyer's solicitor with the aim of agreeing all appropriate documentation.

Please note that in all cases:

1. Where the buyer is a connected party, you must obtain and provide us with a professional open market valuation supporting the sale price. A connected party constitutes any close family member, business partner or fellow company director. If you are unsure whether your relationship with the seller constitutes a "connection", please call this office to clarify.
2. All documentation relating to the sale, will include a clause limiting the liability of IPM to the value of the assets of the arrangements for you in the IPM Personal Pension Scheme;
3. An EPC (Energy Performance Certificate) must be presented to the buyer prior to completion of the sale
4. Full Replies to CPSE forms may be required.
