5 DECLARATION

The member must read and sign this declaration.

I request and consent to the payment of the benefits set out in the Income Payment Request Form. I understand and agree that:

Where IPM have not previously made a pension payment to me, the first pension payment may be taxed on an emergency tax code*.

I will be able to change the amount of income, within the limits set down by the Rules of the Scheme but if I choose to do so at any time other than the annual review date an extra charge may be levied from my fund to meet the additional administration costs.

If I select now, or at any time in the future, an amount of income which is above the Government Actuary's Departments upper limit (Capped Drawdown) then I.P.M. SIPP Administration Ltd (IPM) will pay income equal to the upper limit available under Capped Drawdown, until such time that I notify IPM that I wish to utilise the Flexi-Access rules.

My advisers and I are required to ensure that there are sufficient funds in my trustee bank account in order for IPM to pay my regular income.

I can confirm that I have received and read the Pension Wise letter sent to me with this form.
