3 ANTI-MONEY LAUNDERING (AML) VERIFICATION

NOTE THAT WITHOUT ALL OF IPM'S AML REQUIREMENTS BEING COMPLETED WE WILL NOT BE ABLE TO ESTABLISH YOUR SIPP.

This verification process is to satisfy both the requirements of IPM and Metro Bank, with who IPM will establish a trustee bank account on your behalf. It is important for IPM to be able to verify the identity of all clients looking to establish a SIPP with us. This is required in order to comply with anti-money laundering regulations. IPM will carry out electronic checks as part of the verification process, which will involve sharing the personal data provided in this application form with third party suppliers of electronic checking services.

If you do not reside in the United Kingdom, the AML requirements of Metro Bank will differ. Please contact IPM directly to discuss this before proceeding further.

There are two options as to how IPM's AML requirements can be completed.

Option 1 – IPM will verify the identity of the individual named in section 1 of this application using SmartSearch Triple Check. IPM will send the individual either a SMS or email including a link, with which they will need to upload identity documents for verification (passport and driving licence)

OR

Option 2 – two identity documents certified to be true copies will need to be provided to IPM with original signatures on. Please note this means that IPM will require hard copies of these documents to be sent to us by post.

Please select which option you wish to proceed with:

- where a passport has been used for group 1, IPM will accept a driving licence for group 2

4 CONTRIBUTIONS

Are you planning to make contributions to your SIPP? Yes No

If your personal contribution into the IPM Personal Pension Scheme is above the basic amount (£3,600 as set in the 2006/7 tax year) you need to ensure that it does not exceed the lesser of 100% of your relevant UK earnings or the annual allowance. Any greater personal amounts may not attract income tax relief unless you have any carry forward of unused relief from previous tax years (please refer to your independent financial adviser for further information). Please indicate below the contribution from you and / or your employer.

Personal contributions:

All personal contributions are paid net of basic rate tax and the tax is reclaimed by IPM from the HMRC on your behalf.

Amount of net single contribution £

Amount of net regular monthly contribution £

Date of start of monthly contributions

Employer contributions:

All employer contributions are paid gross.

Amount of gross single contribution £

Amount of gross regular monthly contribution £

Date of start of monthly contributions

Upon receipt of any single contribution mentioned above, or the first of a regular contribution, IPM will need to verify the source of funds. This can be done by either the financial adviser detailed in section 6 of this application completing our Contribution Payment Certificate (available upon request) or by sending a transaction confirmation from the remitting bank which shows the amount paid as well as the details for both the remitting and receiving bank accounts.

If the contribution(s) detailed above mean that your total contributions are in excess of the current year's annual allowance, do you have sufficient unused Annual Allowance that you are able to carry forward? Yes No

Please note that if you do not have unused Annual Allowance that you are able to carry forward and your contributions to all schemes of which are a member exceed the current year's Annual Allowance you will be liable to the Annual Allowance charge.

IPM cannot give you advice regarding the level or suitability of receiving contributions into the IPM Personal Pension Scheme. Please refer to your independent financial adviser.

11 MEMBERS DECLARATION

The applicant (or Legal Guardian, where the applicant is under the age of 18) must read and sign this declaration.

I hereby apply to become a member of the IPM Personal Pension Scheme (the Scheme) and agree to be bound by the scheme rules that may be amended from time to time.

I hereby declare that I will not attempt to draw any benefit from the scheme except in accordance with the rules of the scheme

Where I am making contributions to the scheme I declare:

- I am under 75 years of age and a Relevant UK Individual (having the meaning given by Section 189 Finance Act 2004)
 - The total contributions I am paying to all registered pension schemes (having the meaning given by Section 150 Finance Act 2004) in respect of which I am entitled to tax relief (having the meaning given by Section 188 Finance Act 2004) will not exceed the higher of:
 - (a) the basic amount (£3,600 for the tax year 2006/7)
- or
- (b) 100% of my relevant UK earnings (having the meaning given by Section 189 Finance Act 2004) for that tax year
-
- I will, within 30 days or by 5th April in the relevant year of assessment (whichever is the later), inform the scheme administrator in writing if any of the following events occur:
 - I cease to be a UK resident
 - I cease to be a Relevant UK Individual
 - I cease to have relevant UK earnings
 - I cease to be eligible for relief on member contributions under Section 188 Finance Act 2004

I hereby declare that to the best of my knowledge and belief the details given in relation to the payment of contributions is correct and complete.

In respect of a transfer, I request that the scheme administrator of the transferring scheme applies the whole of my available transfer value from that arrangement. I acknowledge and agree that a copy of this request and discharge shall be deemed binding as though it were the original. In return for the services to be provided by the Operator and Administrator, I agree to pay charges set out in the charging structure schedule current at the date of this application and those charges detailed as payable to my Independent Financial Adviser, if any, as stated in this application form. I authorise I.P.M. SIPP Administration Limited to pay such charges from the bank account held for my benefit and to realise investments attributable to me in order to pay such charges and to settle any third party charges payable in respect of investment transactions to the extent that such charges have otherwise been paid within seven days of falling due.

The Investment Administrator puts into effect the investment decisions and maintains the investment records. The agreement is primarily between I.P.M. SIPP Administration Limited and the Investment Administrator because the assets of the personal pension scheme are of course, legally owned by the Operator. However, we request the member to countersign the agreement so that they are aware of the nature of the terms under which the Investment Administrator operates.

3. Investment Advisor

This document provides the Operator with the necessary authority to take instructions regarding the investment of the assets including the transfer of cash. It is not required if the member is giving instructions personally to IPM.

I.P.M. SIPP Administration Limited has been appointed as Scheme Administrator of the Scheme and agrees to administer the Scheme in accordance with the Trust Deed and Rules of the Scheme.

I.P.M. SIPP Administration Limited is not authorised to give any financial or investment advice. IPM cannot make any comments of the suitability of this Scheme for you.

IPM PERSONAL PENSION SCHEME

On your death, your remaining Individual Funds (“your funds”) will be applied in accordance with the rules of the IPM Personal Pension Scheme (“the Scheme”). Within the overall limits of the tax legislation, the rules give wide discretion over the exact form of benefits and the recipients. Any nomination you make in this form is not binding on the Scheme, but will be considered carefully. The Death Benefit Notes provide further explanation: please read these carefully.

If you are completing this application form in respect of the benefits you have acquired as a result of an individual’s death i.e. the benefits did not original accrue in your name, you will need to complete a different Nomination Form. Please contact IPM so this can be issued to you.

1 AVAILABILITY OF DRAWDOWN

An individual chosen by the Scheme may wish to take drawdown instead of receiving a lump sum, but this is only possible if they are a dependent or ‘nominee’. The note below explains this more fully. If you want to ensure that this option is available to your chosen nominee, you need to make this intention clear to IPM.

Do you wish to nominate for the purposes of the relevant tax legislation any individual nominated below who is eligible to receive a lump sum on your death should also be offered the alternative to be provided with drawdown by the Scheme?

Yes No

Please note that if the no box is selected, or this question is left unanswered, the only option available to your nominated beneficiaries will be for IPM to pay a lump sum of your remaining pension benefits, as opposed to offering drawdown.

4 DEATH BENEFITS NOTES

Important Information

There are legal and practical difficulties in making payments directly to minors or other vulnerable beneficiaries. However the Scheme does have power to pay lump sums to parents or guardians of beneficiaries, or to separate trusts for their benefit. If this is relevant to you, you may wish to discuss with your financial adviser the setting up of an appropriate trust (if you do not already have one), and you should ensure the Scheme is aware of any such trust.

Definitions

"beneficiary" here means a person eligible under the Scheme's rules to receive a lump sum on your death. This includes any person nominated by you in this form plus relatives, dependants and any beneficiary under your will;

"dependant" means your spouse or civil partner, any child of yours under age 23, anyone who is dependent on you due to mental or physical impairment, and anyone (except a child over 23) who is financially dependent on you/ with whom you are financially mutually dependent;

"nominee" for drawdown purposes means an individual who is not a dependant and who is nominated by you. The tax legislation also allows the Scheme to nominate an individual, but only if there are no dependants and there is no individual or charity nominated by you.

References to "the Scheme" as a person are to the Operator of the Scheme, (I.P.M. SIPP Administration Limited) and any co-trustees of your Individual Funds

Availability of drawdown

The way that "nominee" is defined by tax legislation could stop drawdown being offered to suitable beneficiaries in some situations. For example:

- a member doesn't make a nomination. He is survived by his spouse and his brother. The spouse is keen for some benefit to be paid to the brother. The Scheme can pay him a lump sum, but can not offer him drawdown as an alternative, because he was not nominated by the member. The scheme administrator can not nominate him because there is a dependant;
- a member nominates his spouse but they subsequently divorce. He is survived by the ex-spouse and their adult children. The Scheme can take account of the divorce and pay lump sums to his adult children, but can not offer the children drawdown as an alternative, because they were not nominated by the member. The scheme administrator can not nominate them because the ex-spouse has been nominated by the member.

To avoid such problems without trying to predict all future circumstances, you may wish to make a broad nomination of all beneficiaries by ticking the box in Part 1 of the form. Doing so does not mean that the Scheme will pay benefits to all of them, nor that it will ignore any more specific wishes you have. It just means that the Scheme will have greater scope to offer drawdown as an alternative to lump sums, particularly where your nomination form becomes out of date.

Taxation of benefits on the death of a member

Lump sums:

- are free of income tax if you die before age 75, so long as they are paid within 2 years (from when the Scheme was/ought to have been aware of the death);
- are in any case free of income tax if paid to a charity nominated by you, where there are no dependants;
- otherwise are subject to a fixed 45% tax charge (though the law is expected to change again from 6th April 2016, so that such lump sums are simply taxed as income at the recipient's marginal rate).

Drawdown payments:

- are free of income tax if you die before age 75, so long as the funds are designated within 2 years (from when the Scheme was/ought to have been aware of the death, though that time limit does not apply if you were also in drawdown);
- otherwise are taxed as income at the recipient's marginal rate.

Benefits from the Scheme on death at any age are usually free of inheritance tax, because the recipients are chosen by someone other than you (and this is the main reason why the rules of the Scheme do not treat this form as binding).

Miscellaneous

If there is any further information which you think may help, please provide it on a separate sheet.

This form will be taken as a complete statement of your wishes regarding death benefits under the Scheme. You may update your wishes at any time by submitting a replacement form.

These notes give a brief summary of relevant rules of the Scheme and tax legislation as at 6th April 2015. They do not override those rules or legislation and are not a substitute for specific professional advice. The rules and legislation are subject to change in the future.

5 DATA PROTECTION
